

Acknowledgments

The editors wish to thank the Centre of Excellence in Foundations of European Law and Polity Research for all the confidence and encouragement. We want to express our gratitude to the Centre, as well as to the Finnish Association for the Philosophy of Law (SOFY), for their financial support.

We also want to thank Pamela Arslan for the layout, Risto Einiö for the design of the new webpage, and Ilona Nieminen and Katja Heikkinen for their editorial assistance.

Special recognition goes to Samuli Hurri who has been the soul of NoFo from its beginning and has now entrusted us with the task of continuing to take the journal further.

And of course, we thank all the authors for having accepted our invitation and for their excellent contributions to this volume.

Without the support of all of them, the relaunch of *No Foundations: An Interdisciplinary Journal of Law and Justice* would not have been possible.
